84 "Mr Yusuf Yunus Rangwala" (4291404032)

00:21:38.329 --> 00:22:08.879

But I also thanks our link people for giving us very excellent services and very excellent services and nothing more to it. I will be with you sir.

85 "Mr Yusuf Yunus Rangwala" (4291404032)

00:22:08.879 --> 00:22:36.122

Thank you very much. Thank you, sir.

86 "Dr. Shatadru Sengupta" (1223303424)

00:22:36.122 --> 00:22:48.388

Thank you very much sir. Thank you indeed. We now go to the next speaker, a moderator if you could bring bring up mr. Anil Meta, number six.

87 "Moderator Akanksha" (1167845376)

00:22:48.388 --> 00:23:07.666

So mr. Anil Meta and mr. Satisha are currently not available in the panel, will now move forward with our next speaker shareholder mr. Vinod Agarwal. Okay. You are in the panel, please enable your audio and video and you may now ask your questions.

88 "Mr Vinod Agarwal" (1235511296)

00:23:07.666 --> 00:23:12.470

Hello. Hello. Yeah, can you hear me? Yeah I'm starting my video.

89 "Dr. Shatadru Sengupta" (1223303424)

00:23:12.470 --> 00:23:17.150

Yeah. Yeah.

90 "Mr Vinod Agarwal" (1235511296)

00:23:17.150 --> 00:23:42.069

The started video started yeah respected chairman and CEO, vice chairman, and good afternoon in regards to everyone I voted for all the the AGM. So the revenue is last year now better than the previous year. The part has been impacted last year due to.

91 "Mr Vinod Agarwal" (1235511296)

00:23:42.069 --> 00:24:02.069

Maybe rising cost of materials and other things and some of my only two or three queries at present you got 39741 stores are opened last year. So we had opened 41 stores last year means there's been NO growth due to the opening of the large opening of the store, the stores have been opened from 22.

92 "Mr Vinod Agarwal" (1235511296)

00:24:02.069 --> 00:24:22.069

Billion, we have reached only 23 billion. So we have added about 1010 to 12 % of these stores within the last year, so the growth should have been a little more and then now we are planning to open 45 to 50 stores this year. So what will be the CapEx required for the opening of these 40 to 50 stores this year? And we have got a target to.

93 "Mr Vinod Agarwal" (1235511296)

00:24:22.069 --> 00:24:53.339

Open five 80 to 06:30 stores in the next three years. So the performance of the company in the sense that we are having 63 million revenue per store is good. And I am also pleased with the and I like to give congratulations for the prestigious award as mentioned on page 22 and 23 and especially to Madam and Jatia for receiving the most powerful woman from business today for the business and.

94 "Mr Vinod Agarwal" (1235511296)

00:24:53.339 --> 00:25:13.339

So our debt is only working capital debt and the banks in another annual report is only 02:39 girls, which is also reasonable search. And I was the company all the ways keep on doing goodwill the dividend here they declared was also on good enough at five point in 3.45 at on a new.

95 "Mr Vinod Agarwal" (1235511296)

00:25:13.339 --> 00:25:25.887

Case of 4.44 is also commendable the payout is more about 75 % of the the pattern that was there so thanking you signing up from Mumbai. Okay.

96 "Dr. Shatadru Sengupta" (1223303424)

00:25:25.887 --> 00:25:37.761

Thank you, thank you sir. Thank you. Okay, moderator next share on the speaker, please. I think it will be number nine mr. Rajesh.

97 "Moderator Akanksha" (1167845376)

00:25:37.761 --> 00:25:41.818

Rajesh, you are in the panel. You may please now enable your audio.

98 "Mr Rajesh Chainani" (158160384)

00:25:41.818 --> 00:25:47.720

Yeah, you can ask your questions? Yeah, NO. Am I audible? Yes, you are audible, would you be.

99 "Dr. Shatadru Sengupta" (1223303424)

00:25:47.720 --> 00:25:51.779

Just be switching on your camera, please? Sir, it's fine.

100 "Mr Rajesh Chainani" (158160384)

00:25:51.779 --> 00:26:11.309

Hello shareholders, I'm Rajesh and I'm speaking from. 1st of all, thank to my company security for sending me the physical copy.

101 "Mr Rajesh Chainani" (158160384)

00:26:11.309 --> 00:26:31.309

Of the annual report very well on time, it's a 293 pages annual report, which is full of facts and figure in place sir, each and everything is covered. And so I just had a query sir. Our promoter rolling is 56.25 %. So I just want to know now CB has permitted us to increases, increase to 75 %, so.

102 "Mr Rajesh Chainani" (158160384)

00:26:31.309 --> 00:26:54.829

So are there any plans of increasing the promoter holding? And 2nd thing is that the the best part is we have shared capital of 31 and the reserves are very good sir. So, and the dividend is giving, thank you for the dividend of ₹3.45 vessel because one of the speakers said that NO dividend has been declared, so maybe I am wrong or what because I went to the balance sheet, so I could see ₹3.45. So correct me sir if I.

103 "Mr Rajesh Chainani" (158160384)

00:26:54.829 --> 00:27:12.329

I'm wrong sir. And sir, got a very good report and I never knew that potatoes are coming from the page number 14 I got a new knowledge sir, the potatoes are from then the tomatoes are from Western India, and it's a very good quality steps sir.

104 "Mr Rajesh Chainani" (158160384)

00:27:12.329 --> 00:27:32.329

Because I've been to the burger King also mcdonald's cavesy, because I'm a pure waste non wage boat, so I'm very flexible. Yesterday burger King was offering for ₹99.02 burgers, but it never tests like that because I brought it to my home also. So I go for you that ₹149 or a meal, very frankly poke floored French fries, and.

105 "Mr Rajesh Chainani" (158160384)

00:27:32.329 --> 00:27:50.309

Like chicken burger, but your French price are the best sir. I have tried each and everywhere restaurants everywhere. In my home also, you know, means we have tried but it's nothing like that sir. And they are giving me so much love and also you know though that is also love is also there in the French fries. So it really takes very good sir. And sir.

106 "Mr Rajesh Chainani" (158160384)

00:27:50.309 --> 00:28:07.559

Congratulations for 25 years. It is a great thing so you bought mcdonald's in India and day by day we are growing each and every nook and corner. Even in Hyderabad also there was a South Indian hotel which was converted into mcdonald's. So it really shows the.

107 "Mr Rajesh Chainani" (158160384)

00:28:07.559 --> 00:28:27.559

You know the strength and the delegation of the board towards the company.

108 "Mr Rajesh Chainani" (158160384)

00:28:27.559 --> 00:28:49.166

With this sir, I've supported all the resolutions. Thank you very much for giving me the opportunity to speak sir. Thank you. Thank you.

109 "Dr. Shatadru Sengupta" (1223303424)

00:28:49.166 --> 00:28:59.251

Thank you very much. Okay, moderator, the speaker number ten Mr. Rani, please?

110 "Moderator Akanksha" (1167845376)

00:28:59.251 --> 00:29:10.770

You're in the panel now, you may please enable your audio and video, and you may ask your questions.

111 "Mr Adil Irani" (1529931776)

00:29:10.770 --> 00:29:19.244

Okay, you unmuted me. Okay, thank you. Hello? Yeah.

112 "Dr. Shatadru Sengupta" (1223303424)

00:29:19.244 --> 00:29:21.707

Yes sir, you're audible and visible. Yeah, I mean you.

113 "Mr Adil Irani" (1529931776)

00:29:21.707 --> 00:29:37.559

Wanted everybody to say the photograph. I don't know if you can see me, but I'm not anyway, I'm Adil palladirani. I'm calling from my residents in Bombay. I'm a proud and thank you very much for allowing me to speak, I'm a proud shareholder of this company. I don't know whether it is.

114 "Mr Adil Irani" (1529931776)

00:29:37.559 --> 00:29:57.559

Hard castle restaurants or it is West life or it is mcdonald. So anyway, the shares are being called in the name of west life, and today I think 8905 or whatever we may call it. And I don't question normally what takes place before 34 march. That is history. I mean, I, I buy shares of company which I like. And I like this company, I like the director and.

115 "Mr Adil Irani" (1529931776)

00:29:57.559 --> 00:30:19.609

That is why I bought shares of this company and remain in my family for our life basically myself and my children and children children. And, ok, so so I I I saw this 35000 lives impacted in your CSR activities.

Mcdonald's Charities Foundation India. Could you please share some photographs also?

116 "Mr Adil Irani" (1529931776)

00:30:19.609 --> 00:30:50.069

In the annual report next time, out of 35000 at least people could put five or ten photographs of what act activities are being taken place because I've got friends in, Canada in and where over there they have this where they they where they give treatment to children with cancer basically they have these mcdonald's houses where these children get vessel ins. Anyways, I hope what is happening in Bombay I don't know what is what are we doing I don't know, so if you could put up some photographs.

117 "Mr Adil Irani" (1529931776)

00:30:50.069 --> 00:31:10.069

Out of those 35 children which are affected. And even nowadays, I mean th what is your take on that? Should you give those protocols or not give that's up to you. Another thing, even public public companies have started giving us gifts for people who have attended these annual through website because I'm I'm wasting my eye side. I'm wasting my.

118 "Mr Adil Irani" (1529931776)

00:31:10.069 --> 00:31:30.809

Your, my brains are being used, my phone is being used, my electricity being used to charge the phone, my battery life gets gone out, and I don't get any special, I don't know again I was trying to look, ok, where is the dividend you've given this, this year? I have nowhere I have seen that any dividend has been declared. So if you could please at least send us a.

119 "Mr Adil Irani" (1529931776)

00:31:30.809 --> 00:31:48.029

Counterpoil of the dividend warrant which has been going directly into the bank, so I can go and check with the bank whether this dividend has been credited into my bank. They bring these new rules, everything will be done online, online at a boss, we are now 75 years old.

120 "Mr Adil Irani" (1529931776)

00:31:48.029 --> 00:32:03.839

I mean we still try and do some all these things. Good. I mean you are saving paper and all, but think think about us. And even public, the public companies have now started sending us us counter for another.

121 "Mr Adil Irani" (1529931776)

00:32:03.839 --> 00:32:19.649

Inland letter letter comes from Tatas. Another things I don't know why you're not transparent, why I cannot open and see the panel participants panel. The meeting setting don't allow me.

122 "Mr Adil Irani" (1529931776)

00:32:19.649 --> 00:32:48.945

To view the participants. So what is your take on that? Even when we have this alumni meetings, you know, I mean club meetings or small small club where we can see even 200 participants. And I can see those 200 participant names and I mean I can see their faces. So what is the big deal? Why I cannot see the other participants? Okay, i won't and there maybe other shareholders upcoming I want to thank you very much, bye bye.

123 "Dr. Shatadru Sengupta" (1223303424)

00:32:48.945 --> 00:32:58.624

Thank you sir. Thank you very much indeed. Okay moderator, can we go back to serial number two Misterpa Gunludo?

Yes sir, you're audible. Okay, thank you.
161 "Dr. Shatadru Sengupta" (1223303424)
00:43:09.765 --> 00:43:37.950
So now we are back in the meeting. Thank you all for waiting. I will we will now answer your questions and our request our management team as needed to answer your questions, ok? Our chairman will will lead us. In the event any questions remain un answered in the interest of time, the company will email the answers to the respective shareholders subsequent to the meeting.
162 "Dr. Shatadru Sengupta" (1223303424)
00:43:37.950 --> 00:43:57.950
So Amit you can go ahead and respond. Firstly, thank you very much to everybody for the questions and we appreciate all the comments as well. Basically, I've tried to club as many of similar points as, as I could.
163 "Dr. Shatadru Sengupta" (1223303424)
00:43:57.950 --> 00:44:14.400
So i'll try and answer all the questions that came up. To start with, we have about 11000 people that are currently working for us and 36 % of them are given. In terms of one key question was the CapEx plan.
164 "Dr. Shatadru Sengupta" (1223303424)
00:44:14.400 --> 00:44:32.400
For the year. So typically we invest about 200 to 250 dots, which kind of gets you about 40 to 45 restaurants. So that's pretty much the investment plan that we put in. Our objective is of course to double the revenue from the current number to.
165 "Dr. Shatadru Sengupta" (1223303424)
00:44:32.400 --> 00:44:49.740
4000 to 4500 crores in 2027 and that's the kind of growth rate and revenue that is expected over time. As we mentioned, as I mentioned in my speech, typically a restaurant does about ₹63 million per restaurant.
166 "Dr. Shatadru Sengupta" (1223303424)

00:44:49.740 --> 00:45:09.740

So that's the kind of incremental sale that comes as we open new restaurants. As we open these new restaurants, we generate additional employment of about 1000 people. So we are quite happy to think that, you know, there is a time when we will have over 20000 people. We are quite excited about creating.

167 "Dr. Shatadru Sengupta" (1223303424)

00:45:09.740 --> 00:45:26.820

An opportunity for people. There was a question around the wedge customers and I'm very proud to say that we kinda invented the book on separate kitchens for wedge and long wedge right from 1996 when we opened the 1st restaurant, we went two kitchens.

168 "Dr. Shatadru Sengupta" (1223303424)

00:45:26.820 --> 00:45:46.820

So that any best customer who comes to the restaurant can be confident that the product we serve is hundred percent vegetarian. We are quite proud of that and we created two different menu requirements of different types of customers over the years and of course we will be conscious of that as the market evolves and as the consumer.

169 "Dr. Shatadru Sengupta" (1223303424)

00:45:46.820 --> 00:46:04.620

One advantage with mcdonald's is it's not a factory, so we have, you know, over 397 restaurants and in fact now over 400 restaurants. So we do say our stakeholders have the opportunity to visit our mcdonald's.

170 "Dr. Shatadru Sengupta" (1223303424)

00:46:04.620 --> 00:46:22.260

And experience that as a site visit. We also do kitchen tours so you could easily request the restaurant manager and they'll be more than happy to do that. So, you know, we are quite happy to see that our stakeholders hopefully get to see mcdonald's every day in their life.

171 "Dr. Shatadru Sengupta" (1223303424)

00:46:22.260 --> 00:46:37.410

Yeah, again I covered the number of restaurant number of people. Now in terms of the number of restaurants in Mumbai, we have over hundred restaurants in Mumbai. We have a pretty good lead over our competition in this market.

172 "Dr. Shatadru Sengupta" (1223303424)

00:46:37.410 --> 00:46:54.930

In West and south, that is from a west flight point of view, we have over 400 restaurants and globally mcdonald's is a brand leader and had over 40000 restaurants around the world. And I'm also happy to say that in FY 24, we did pick it up 20 min.

173 "Dr. Shatadru Sengupta" (1223303424)

00:46:54.930 --> 00:47:14.930

Of ₹345 per share, I think there were many questions around able to make that thing last year. One other thing that we are trying to do is that for attending shareholders, we will send an SMS code which allows them when they visit the restaurant to get.

174 "Dr. Shatadru Sengupta" (1223303424)

00:47:14.930 --> 00:47:40.860

Get a special offer, so we will be taken that on board and we will ensure that we send that another question from our total sales growth While I think overall our has been quite good. We are aiming for about 15 % growth roughly till our vision 2027.

175 "Dr. Shatadru Sengupta" (1223303424)

00:47:40.860 --> 00:47:59.520

Last year was a challenging year and it was one of the few years where I remember in our 25 year history where we had a single digit top line

growth, but we are quite confident that as the environment turns, the company is quite ready to grow rapidly.

176 "Dr. Shatadru Sengupta" (1223303424)

00:47:59.520 --> 00:48:20.580

Yeah in terms of promoter shareholding, what I'm quite proud to say is being very stable and I think we like the stability and that's how we will continue to pursue in the future. We believe in the growth of the company and definitely intend to sort of maintain our shareholding and you know we take it from there.

177 "Dr. Shatadru Sengupta" (1223303424)

00:48:20.580 --> 00:48:40.170

The, I I appreciate the point on quality, we work very hard, our supply chain is 99 % local, we work with farmers across many many products to develop really good quality products, particular procedures and that is what reflects on the french, right? So thank you very much for your comment.

178 "Dr. Shatadru Sengupta" (1223303424)

00:48:40.170 --> 00:48:58.680

In terms of firstly we are so happy that it's being noticed, we appreciate that. Number two, of course, on page 79 of the annual report, we have some pictures, but we take the point on board as well and we will see what we can do to enhance that.

179 "Dr. Shatadru Sengupta" (1223303424)

00:48:58.680 --> 00:49:16.080

Additionally, you will find a lot of references to see on LinkedIn, on Facebook or Instagram. So, you know, that's how we generally try to sort of talk about the work done by the by the mcdonald's out of charity.

180 "Dr. Shatadru Sengupta" (1223303424)

00:49:16.080 --> 00:49:31.080

Also we you know globally it is about children with special needs and in India we are particularly focusing on children who have cancer and in Hospital in Mumbai, this center has been running now.

181 "Dr. Shatadru Sengupta" (1223303424)

00:49:31.080 --> 00:49:48.510

For over ten years, so we are quite pleased with with the effort. I think probably this completes all the, all the questions sorry the the dividends just to clarify.

182 "Dr. Shatadru Sengupta" (1223303424)

00:49:48.510 --> 00:50:04.020

Was ₹3 45 % per share. Just sorry I made an error on that. So that is roughly the clarification. And thank you very much for your patience hearing. I now in compliance with the compulsory requirements.
